

# Police Report

January 2023

Last 28 Days

**138 calls received across the Rural Beat Area. If there is anything specific I need to highlight for a certain area I will. If you would like me to attend a meeting I can look at my availability.**

**This report has been sent a few days early due to a busy month coming up.**

## **ASB Incident**

**I am also investigating multiple reports of Anti-Social Behaviour (ASB) -Personal, Environmental and Nuisance where the same offenders have caused Harassment, Alarm and Distress with their actions having a profound impact on the community in which they live, and themselves. I have had to evidence the financial cost to police including the hours spent.**

**This report enables us to look at powers including ASB legislation to put measures in place and resolve the issues.**

**Each month I will update my patrol plan to include any ASB hotspots and request additional resources.**

**Hate Crime incident investigated and involved partner organisations.**

**ASB reported on Quantocks -working with partner agencies and Rural Crime Team to resolve and encouraging public to report.**

**Please be vigilant and report any suspicious behaviour**

Please be aware, there have been a number of trailer and vehicle thefts in and around our area.

On the 5<sup>th</sup> January, the same day that a white Mitsubishi and a trailer were stolen from our area, another trailer was stolen in BAMPTON. This was approx. 1-2 hours after the white Mitsubishi was stolen from SKILGATE.
