

August 2024

PCSO Brianna WHELAN

That summer went quickly and we were lucky to have such lovely weather up until recently.

Not only do we cover our rural beat but on occasions we will have to go to other beats. During the hot weather I was called to go to Dulverton for 2 dogs that were in a car. By the time that I had got to Dulverton and had spoken with the caller, luckily the dogs had been removed from the car by the owner.

I was called to a RTC in Oake where a car had gone around a corner and clipped the side causing the car to roll and leaving it on its roof. Luckily the driver and passenger were both okay and we were able to get the car recovered.

During August there was a few reports of Nottingham Knockers in Wiveliscombe and Langford Budville area. If it is that you do experience anyone knocking at your door cold calling/ Nottingham Knockers, please let us know.

As it was the summer holidays for Schools I was invited to In The Mix in Wiveliscombe to speak with the children about what I do as a PCSO and what is included in the job.

We recently met with Wivey Kitchen to discuss about what they do and how they operate. This is a brilliant service that is providing helps with freshly cooked meals from food that would just go to landfill. If you would like any more information about this, please visit www.wiveykitchen.org.

CSW

It does appear that we are losing a lot of CSW groups/ members at the moment which is a great shame. If you know of anyone who would like to get involved, please let me know and I can get them added to the group.

If there is anything you would like to discuss with me, please email me. If there is anything urgent, please call 999 or 101.
