

November 2024

PCSO Brianna WHELAN

November has been such a busy month.

We are currently planning events/ meetings for Violence Against Women and Children in order to spread awareness and advise of what help is out there. We will be doing a coffee morning and going into the local secondary schools to spread awareness.

I recently went to Milverton Primary School to do a show and tell with the reception year. There were lots of questions that they were asking about the police especially the horses and dogs. I was able to show them the car and they also were able to experience the lights and sirens.

Myself and PCSO Henderson were called to a male that was very confused at the Worlds End pub in Bradford on Tone. There was a language barrier but towards to end we were able to establish that the male had walked from Taunton and got lost. We were able to get him safely back home with his son.

As it is very quickly approaching Christmas, Wiveliscombe and Wellington had their Christmas Light switch on. We attended Wiveliscombe on the 29th and luckily the rain had just stopped before the big reveal. On the 30th

we assisted our Wellington colleagues with the Wellington Christmas Lights switch on and market.

I will be revisiting the beat surgery times/ days as some have seemed to be slightly difficult to get to. If there are any times/ places that people would like to recommend, please let me know. These will be sent out in time for the new year.

CSW

It does appear that we are losing a lot of CSW groups/ members at the moment which is a great shame. If you know of anyone who would like to get involved, please let me know and I can get them added to the group. If you are wanting to set up a new speed watch in your area, please don't hesitate to contact me.

If there is anything you would like to discuss with me, please email me. If there is anything urgent, please call 999 or 101.
