July 2020

Wellington North-Milverton and surrounding areas

We are constantly adapting to this changing situation and guidelines set by both the government and internally by Avon and Somerset Constabulary.

Going Forward, Officers will continue with the approach of explain, engage and encourage which has on the whole proved successful.

Whilst we cannot enforce social distancing we can deal with large gatherings ,public disorder and total disregard for the guidelines set.

The latest advice is to wear a mask in enclosed public places.

With more people out and about crime is returning to the levels we typically expect for this time of year.

Please report all non- urgent incidents via Avon and Somerset Police website before utilising 101 number which can be used to report Crime and Anti-Social Behaviour.999 for emergencies.

Hope to see you all soon and please ask if you would like a little more information about a particular incident in your area.

Happy to join meetings virtually.

Louise Fyne.
