March 2020

Milverton and North Deane Beat.

Thought I would send you a quick report during these uncertain scary times .Please take care and stay safe.

I have devised a patrol plan with my colleague PCSO Victoria Henderson to patrol any schools open, areas where people may gather and not observe social distancing rules etc, any ASB hotspots.....

Please report all non- urgent incidents via Avon and Somerset Police website before utilising 101 number.999 for emergencies.

You will see the police maintaining our core and emergency functions, but scaling back appropriately on our non-urgent work.

We're here for you: Our officers and staff are still working tirelessly round-the-clock to keep communities safe and patrolling our key areas, responding to emergencies 24/7, despite the COVID-19 crisis and advising people on social distancing if necessary.

Thank you for our messages of support-These make such a difference during these uncertain times.
